Shalom:

This year I am serving as Programming Vice President. The past two years I have served on the board as historian and loved every minute of it. I am looking forward to the next year as programming and I also realize that I have a lot of work to do. Our PVP last year, Rachael Thall, did an awesome job! I will strive to do as great a job as she did. The youth group comes first to me after school and I will be making it a priority.

We have some great events that you will see on calendars in the future. Our annual events will continue to grow. I am looking forward to working with the 2003-2004 ICETY youth group board this year. They are a great group of people. I am open to any ideas from any youth group member. I can't wait to see how the youth group grows and I hope we will have a great year!

Your Dedicated PVP
>Sammi

Rachael's Remembrance

Several people, adults and kids included, have asked me what IGGY stands for. Well, it was my simple way of saying all the youth groups' names at once:

- I ICETY
- G Gesher
- G Garin
- Y Youth

As you can see from the first page of this IGGY Post, this summer is packed with a lot of fun for all our youth. Every event is open to all, with the exception of the Pool Party, which is only for Gesher and ICETY.

Game Night was our annual summer kick-off event. We had over 30 kids there, representing all three youth groups. We also had some new friends and faces. We welcome the incoming class of 3rd Graders.

Speaking of new friends and faces, please remember that if you, or your child, has a Jewish friend, they are always welcome at Youth Group events. The Youth Group is a place well all Jewish Youth may come and be "Jewish." This is the reason that there is a different membership rate for children whose parents belong to the Temple and for children whose parents do not. We also have a different cost for each event for children who have paid membership dues versus those who have not. We do have several kids who come on a regular basis who do take advantage of this. However, for ICETYers, please remember that you cannot go to a NFTY-SC event unless you are a paid member, as part of the dues paid to ICETY does go to NFTY-SC.

As always, if you have any questions or would like to volunteer to help with the youth group, please contact me at oldgreybear@earthlink.net

From Your 9th Grade Rep:

Well I am totally looking forward to being 9th grade rep. I was really scared that at I wasn't going to make it, with Nate Hirsh as my friend and competitor. That made it really difficult. Luckily we both can say that we are a part of this wonderful and soon to be successful group. I think it is an honor to say that all of the excitement thrillers are going to be put together with my help. Like ""Game Night"", next year's cosmic bowling and elections, the kidnaping and all of the surprises that should encourage you to join ICETY or GESHER or GARIN. These surprises, and the stuff that you look forward too all year is what allows you to have so much fun. You can meet new people at dances and get-togethers, which is always fun. The youth group is a just one big happy success and I am so privileged to be in it! THANK YOU!

Danyel Peduto, 9th Grade Rep
